

An aerial photograph of a rugged coastline. The ocean is a deep, dark blue, with white foam from breaking waves visible. The waves are crashing against dark, jagged rocks that protrude from the water. The sky is not visible, as the focus is on the sea and rocks.

30 YEAR OLD

TALISKER 30YO

3 KEY POINTS

3 Decades of Maturation

3 decades of purposeful, skilled ageing have nurtured and gently shaped this visceral whisky but the powerful sweet smoke and pointed pepperiness still soar through the mellowed profile despite the long-ageing. An elegant and complex expression with Talisker hallmarks of pepper and smoke in a softer and subtler style.

Limited Annual Release

Talisker 30 Year Old is released on an annual basis, highly limited by the few casks we have set aside and selected. Each bottle holds an individual number and its vintage year, allowing for progressive collection of this luxurious single malt from the special Isle of Skye.

The Essence of Skye

Talisker 30 YEAR OLD, a rare expression, being re-released in limited quantities after the last bottling in 2017 celebrates the summit of Skye. Not unlike the anticipation of the journey to the top of The Cuillin, where majestic views await, Talisker 30 too provides a rare invitation to only a few to reach the very pinnacle of the range, where true character awaits.

TALISKER
DISTILLERY

THE CONCEPT

The oldest distillery on the Isle of Skye. Talisker has been an integral part of island life since 1830. It's in this land of extremes that our small distillery stands proudly by the sea, enduring the ever-changing elements that have shaped our island for almost 200 years.

The nature of Skye is our inspiration for the whisky we craft. Powerfully invigorating, our single malts instantly take you to rugged shores. Every sip is a taste of Skye itself, igniting the explorer instinct within, and with a range of different expressions to discover, the first sip is only the start of the adventure.

THE LIQUID

Talisker 30yo will be:

- **Single Vintage** – so the label will declare ‘Bottled in 2021’
- **Batch produced each year** – refill cask types can vary, which will be declared each year, with each bottle individually numbered, all of which drives collectability
- **Natural Cask strength** – meaning the abv % will be slightly **different every year**
- **Non-chill filtered** – the whisky in its **purest** form with no filtration process
- **Non-coloured** – many whiskies use non-tasting caramel colouring for visual consistency or to make it look darker, but Talisker 30yo will be in its **natural** form
- 2021 batch is bottled from hand-selected American Oak 100% refill hogshead casks

30 YO Tasting Notes: Stuart Morrison

Soaring sweet smoke with pointy pepperiness

Nose

Mild and unusually fruity, fading quickly into lush seaweed with charred sticks. Becoming soft and very slightly waxy or creamy, like fudge

Taste

The smoke is immediate and dry with creamy oak. Almond milk and light, sweet stone fruits emerge, joined by a trace of salt

Finish

Long, gently warming, with a lingering maritime aftertaste and just a white pepper tingle on the tongue in place of that chilli ‘catch’
